

It's known to my "inner circle" as the secret relic of affiliate marketing...

**"I'm Giving You The Chance To COPY CAT
My Legendary 'CB Affiliate Formula' System
That Created \$70,782.27, \$29,813.00 and
\$57,000+ Affiliate Pay Days"**

(In this special report you will see **PROOF** of how my students are
dramatically boosting their affiliate incomes)

From Andrew Fox

Dear Friend,

Let me ask you a simple question....

Do you want to make serious money as an affiliate?

If you've answered "Yes" then prepare for an "eye opening" experience.

First I have a true story to share...

**It's Starts With ROCK SOLID, Undisputed Proof Of The Kind
Of Lifestyle That Can Be Achieved With Super Affiliate Success..**

At just 26 year's old I've achieved a lot of financial success directly as a result of affiliate
marketing.

I've 'tried and tested' and refined my strategies over 8 long, hard years.

Here's the result so far...

A stunning Ferrari Convertible

Beautiful Beach front home

Where I consider my "Internet Office"

Now believe me... I certainly didn't achieve this over night.

I'd been "round the block" a few times including losing a *TON* of money on a failed software company.

But that didn't stop me...

I've worked my butt off to get where I am today and am not going to insult your brain with crap like "Make \$100,000 working 2 hours a day."

It's time to cut through the hype, false promises and lies...

If I could give you the "step by step" system that would outline the blueprint you needed to achieve success on the Internet would you do it?

No wild claims...

Even if you started out small and made your first \$50 per day. Then it increased to \$100, \$150 and over \$300 per day.

\$300 a day (which is close to \$10,000 per month) really is possible.

Here's PROOF of just some of the affiliate 'paydays' I've created

For Eight Solid Years The Gurus Attempted To 'Bribe' Me With First Class Airfare, 5 Star Hotels And Full Expenses Paid Just So I Would Reveal My Cutting Edge Affiliate Strategies At Their Event..

I turned down every single offer...

First, I wanted to test and refine my affiliate strategies so *ANYONE* could start from scratch using my system.

I didn't care about the "perks" of traveling for no cost. If I wanted to go on holiday I would just pay for it. Money wasn't the

concern.

****My #1 Priority was developing a 'step by step' affiliate system for the customer, broken down into simple building blocks for them to achieve success****

And after years of research, I finally gave into the demands for a personal coaching club.

I created an "invite only" affiliate coaching club called the "[CB Affiliate Formula](#)"

Inside I revealed the formula I've used to **sell TONS of different products on Clickbank, bank massive affiliate earnings**, grow my email list every day without fail and create multiple STEADY income streams.

All memberships sold out within 7 days.

There was such a stampede after I closed the doors, people were BEGGING me to let them in.

But I wouldn't budge.

A 'secret underground' community was born. A new army of super affiliates began their journey under my guidance.

"Talk Is Cheap and I've Always Been A "Results Driven" Type Of Person. The Pressure Was Resting On My Shoulders To Deliver On The Promises I'd Made... In Fact I Had Staked My Reputation On It..."

Within weeks success stories started to flood in by the truck load.

My '[CB Affiliate Formula](#)' inner circle club members started to MAKE MONEY and increase their profits.

Bottom line is my system was working for others...

Andrew,

I've got to tell you what's happened since I hopped on board CB Formula last week ...

Immediately after diving into the training material, I was very impressed with your "step by step" approach. The material is literally "do this first, then do this, then do this" etc. Nothing is left to chance, all I needed to do was take action.

The step by step approach gave me a much needed jolt of confidence, and I started my first campaign just before the weekend.

So far, about 72 hours later, 4 sales, and what looks like \$19 per day profit.

Hey, might not sound like much, but for a guy who's been deathly afraid of losing his shirt with Google AdWords, it is a tremendous confidence booster!

Can't wait to continue to monitor this campaign and introduce a few new ones. Even at \$19/day, **that's \$570/month, \$6840 a year profit which pays quite a few bills!**

Thanks for all the work you put into the training, Andrew.

Hi Andrew, I want to again thank you for the course that you have put together.

As a new online marketer the information has been invaluable to me.

I have taken your teachings and applied to my marketing efforts, in one case **I had my first ever sale 30 minutes after completing your training.**

I was totally blown away.

Keep up the great work.

I have been struggling with my adwords campaign for months now. I then I

joined the CB Affiliate Formula and **within 1 hour have tripled my click through rate!**

I'm impressed and really feel supported

Hi Andrew, I have been researching affiliate marketing for the past 4 years and this is the first time I am truly blown away by a mentor's professional approach to his coaching program and up front honesty!

You truly OVER DELIVER on your promises! If anyone ever had a dream of making money online then this is your ticket to get there big time!

My best always,

I was worried when I joined CB Affiliate Formula. So many times I have paid good money on a hyped promotion and been let down.

But I have to say that Andrew delivers exactly what he says he will and more. It is refreshing to see someone who is down-to-earth and committed to their membership.

And **the product is well worth the small investment.** I have come away with increased confidence.

Andrew Fox's CB Affiliate Formula program is by far the best value I have found on the Internet anywhere! **If you want to learn how you can easily make money online, then this program is for you.**

At 55 years old, I especially appreciate Andrew's simple and straightforward teaching method. He makes it so easy that anyone can start from scratch and be making money instantly!

I have spent thousands on Internet Marketing educational courses, and none of them compare to the amount of knowledge I have accumulated with Andrew in just the past three days.

If you're looking for the best bang for your buck, then look no more - you've found it. But you better hurry and sign up quickly, before Andrew decides to start charging what he's really worth!

I would recommend CB affiliate formula to anyone who is serious about making money online.

I am a construction worker and new to online marketing but this program is so simple that even I had a program up and running in no time at all. **It takes the guesswork out of finding an affiliate program to promote** the software they have in the members area, it's the best I've seen.

Setting up a pay per click campaign is easy as copying and pasting. I had a program up and running in no time at all. I would recommend this product to anyone who is serious about making money online.

I must say a big thank you to Andrew Fox for his CB Affiliate Formula course.

If you are just starting out or want an increase in sales, then this course is a must.

It is not just packed with information from video and PDF downloads, but also interviews from some of the big names in the business.

He has enlisted experts on the various ways of stating and marketing your business. This is just the best I have ever seen.

There is nothing else that can match what Andrew is doing.

Andrew, I must say the CB Formula is awesome. I really had no idea about what to look for in a product. Your explanations are clear and to the point.

I have purchased many products in the past without the understanding of how to use them. That can be real frustrating for any newbie. When you don't understand something it makes it that much more difficult to be able to ask for the help you need.

It is step by step so if anyone follows the steps they get immediate success. **I just had my best week promoting click bank products.**

My 'CB Affiliate Formula' is a REAL coaching club that gets results

Case Study 2007. How A 15 Year old kid from Florida Joint Ventured with me and created over \$4003.99 in PROFIT in the first 7 days

BJ Dolla. The 15 Year Kid From Florida I Joint Ventured With.

I was introduced to this guy by Lisa Diane, owner of a multi million dollar enterprise.

BJ was her 15 year old son and even at such a young age had generated income and actually bought a \$70,000 Hummer H2 a year before he had his driving license.

I decided to accept the challenge of working with BJ to create a product on Clickbank, about the law of attraction.

He wasn't going to get let off lightly. BJ was going to have to prove to me that he could create sales copy, find a target niche, understand how to broadcast emails.

The results were remarkable especially considering his age!

It's PROOF anyone can succeed on the Internet with a little help.
